RE: Presentation Services of HRH/Kirklin & Co, LLC

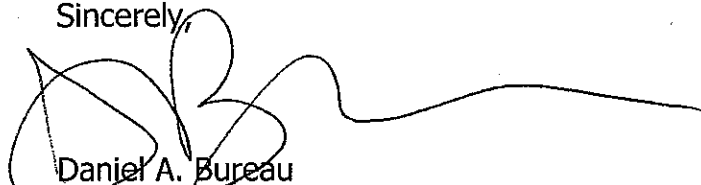

To Whom It May Concern:

On March 11, 2006 a HRH/Kirklin & Co, LLC representative completed a presentation for our Housing Summit with House Corporation and other key volunteers in attendance.

The focus of the presentation was on key loss prevention and control strategies to both protect their physical plants and protect the volunteers themselves from lawsuits for negligence in carrying out the fiduciary responsibilities of their positions. In addition, a number of recommendations were provided for each group's purchase of comprehensive property insurance protection to insure their physical plants. The ideas presented were very practical and simplistic enough for adaptation by any alumni group.

The presentation was of real value to those in attendance and I would recommend HRH/Kirklin & Co, LLC for your campus educational needs. Please do not hesitate to contact me should you have any questions.

Sincerely,

Daniel A. Bureau
Assistant Dean of Students
